

**PORTAGE COUNTY REGIONAL PLANNING COMMISSION
WORK PROGRAM REPORT
February 2017**

A. COMPREHENSIVE PLANNING

1. Farmland Preservation Plan Update

- The State is looking for local government representatives. We have notified the Western Reserve Land Conservancy that we would like to partner with them as the local representative.

2. Portage County Parks, Trails, and Greenways Plan

- Working with the Park District to design a master website for all local parks.

3. Portage County Fair Housing Program 2016- Ongoing

- RPC oversees the Fair Housing initiatives for Portage County excluding the City of Kent. The Analysis of Impediment to Fair Housing Study is being implemented. The Fair Housing initiatives were updated in June to be consistent with the NEOSCC suggested Goals and Objectives.

4. Portage County Comprehensive Economic Development Strategy Update (CEDS) 2016 CEDS

- On behalf of the EDA, RPC is requesting the submission of economic development projects for EDA funding that are designed to create or retain jobs and to provide assistance to economically distressed communities.

B. PLAN IMPLEMENTATION/SHORT TERM PLANNING

1. Update of Portage County Subdivision Regulations

- We are in the process of merging subdivision regulations that work in surrounding communities. The idea is to implement good ideas that can also work here in Portage County.
- We completed our final draft reviews of the proposed Subdivision Regulations and are being reviewed by the Prosecutor's office before we announce public meetings to discuss the proposed changes and eventually bring them to the County Commissioners for consideration and approval. Schedule to be announced soon.

FEMA		The Staffing for Adequate Fire and Emergency Response Grants (SAFER) was created to provide funding directly to fire departments and volunteer firefighter interest organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. The goal of SAFER is to enhance the local fire departments' abilities to comply with staffing, response and operational standards established by the NFPA (NFPA 1710 and/or NFPA 1720).		
FEMA	November 2017	The primary goal of the Assistance to Firefighters Grant (AFG) is to meet the firefighting and emergency response needs of fire departments and nonaffiliated emergency medical service organizations. Since 2001, AFG has helped firefighters and other first responders to obtain critically needed equipment, protective gear, emergency vehicles, training and other resources needed to protect the public and emergency personnel from fire and related hazards.		
FEMA		The Fire Prevention and Safety (FP&S) Grants are part of the Assistance to Firefighters Grants (AFG) and support projects that enhance the safety of the public and firefighters from fire and related hazards. The primary goal is to reduce injury and prevent death among high-risk populations. In 2005, Congress reauthorized funding for FP&S and expanded the eligible uses of funds to include		

		Firefighter Safety Research and Development.		
FEMA: State Homeland Security Program Grants		The SHSP assists state, tribal and local preparedness activities that address high-priority preparedness gaps across all core capabilities and mission areas where a nexus to terrorism exists. SHSP supports the implementation of risk driven, capabilities-based approaches to address capability targets set in urban area, state, and regional Threat and Hazard Identification and Risk Assessments (THIRAs). The capability targets are established during the THIRA process, and assessed in the State Preparedness Report (SPR) and inform planning, organization, equipment, training, and exercise needs to prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other catastrophic events.		
FEMA: Urban Area Security Initiative		The UASI program funds addressed the unique risk driven and capabilities-based planning, organization, equipment, training, and exercise needs of high-threat, high-density Urban Areas based on the capability targets identified during the THIRA process and associated assessment efforts; and assists them in building an enhanced and sustainable capacity to prevent, protect against, mitigate, respond to, and recover from acts of terrorism.
